

**Sample Interview Questions**  
Library Director/Librarian  
Priestley-Forsyth Memorial Library

- What is the library's place in our community? How specifically will you work to make that happen?
- How would you keep the current high-quality staff working at our library?
- What past experiences do you bring to a major building project or capital campaign?
- How have you dealt with problem patrons?
- What three goals do you think you could reasonable achieve in the first six months of your employment?
- What criteria would you use to get rid of materials that are not currently of use to our patrons?
- How can a library successfully integrate technology into adult programming?
